REPUBLIC OF RWANDA

PUBLIC ANNOUNCEMENT FOR PROFESSIONAL BROKERAGE

The Management of the National Land Authority hereby informs all individuals and companies engaged in land and real estate brokerage activities, including facilitating the purchase, sale and rental of land and other immovable property, that a nationwide registration exercise has been launched for all practitioners in this sector.

The registration exercise aims to collect information on individuals and companies engaged in this profession across the country, strengthen the organisation of the sector and its coordination with relevant institutions, promote professionalism, and enhance compliance with the laws and regulations governing land management.

All individuals and companies engaged in these activities are therefore requested to register no later than **14 December 2026** by completing the registration form available through the following link:

Registration Link: https://rwandalanddashboard.lands.rw/iyandikishe/

Everyone's participation is essential in building a well-organised land and real estate brokerage sector characterized by effective coordination, professionalism, transparency and accountability.

Thank you for your cooperation.

Done at Kigali, on 27 November 2026.
